Subject: MODERN SLAVERY AND HUMAN TRAFFICKING STATEMENT

---

At the Pentagon Group, we are committed to preventing the recruitment, movement and harbouring of people for the purposes of exploitation within our business and supply chains.

This is clearly reflected in our [Code of Conduct](#) , particularly under our values of Respect for People and Non-Discrimination and Fair Dealings, as well as our Human Trafficking and Forced Labor Policy. These values are continuously affirmed in our associated work practices, third party relationships, business documentation and adherence to all applicable laws and regulations.

We provide policies, procedures, guidance and training for **ethical, compliant and legal decisions** in the Pentagon group workplace, and require the same commitment from our suppliers and any third party acting on our behalf. Integration of compliance controls is continuously evolving within or business and transparency, responsibility and respect for human rights are critical drivers for our collective achievements.

This Statement has been approved by the Pentagon Group Board
