

PENTAGON

OILFIELD SERVICES

PRESS RELEASE

Pentagon Freight Services is pleased to announce the launch of our new entity 'Pentagon Oilfield Services FZE'

-  **Pentagon Oilfield Services FZE will operate from within our existing facility in Jebel Ali Free Zone, Dubai and will allow Pentagon to now offer a full range of value-added end to end solutions.**
-  **Pentagon Oilfield Services FZE will act as a trading partner to stock and distribute oilfield equipment on behalf of clients, especially beneficial to those clients who don't have a legal entity in the UAE.**
-  **Pentagon Oilfield Services FZE will be authorized to process the legalized documentation required for exporting to the GCC and South Iraq. Our base will act as a regional distribution hub for the Middle East and beyond.**
-  **Pentagon Oilfield Services FZE will offer a full range of OCTG Inspection Services at competitive prices from within Jebel Ali Free Zone providing considerable cost savings to our clients. These Inspection Services include Vendor Inspection, VTI, OD Gauge, MPI and EMI. Pentagon will also Manage Certification of Pipes. Our Qualified Inspector is a BE-Engineer graduate, with an NDT level II certificate. He will be supported by Pentagon's specialist yard team who have a wealth of experience in OCTG handling.**
