

# PENTAGON FREIGHT SERVICES WILL BE MOVING TO ITS NEW SOUTHERN UK HOME SOON.

We are pleased to announce that our new facility in Dartford, will be fully operational on 25 January 2021. Our new home comes complete with a 40,000 sqft warehouse, allowing us to combine all former operations in both our Orpington and Stanwell facilities under one roof.

Less than half a mile from junction 1A of the M25 and with air, sea, and train connections all within 20 miles from the site, the facility is strategically located to enable our team of logistics experts to offer efficient transport solutions and unsurpassed service to our customers.

The fully secure bonded facility has yard capacity for 15 trailer bays across multiple loading and discharge points. With substantial warehousing and distribution capabilities, all managed through our world-class Insight system, we are excited to be able to offer our valued clients a truly bespoke service.

*"I am delighted to announce the opening of our new Dartford operation to accommodate our growth strategy. This Best-In-Class facility boasts a wide array of benefits for our valued customers, business partners and staff. This strategic move will help us strengthen the already exceptional service that we offer our UK clients and will put us in an even stronger position in the marketplace."*
